Description

Each pair of these elegant tapers has been dipped by a steady hand at least 20 times into vats of naturally filtered, molten wax. This time-honored process, combining the most precious of candle waxes with skilled craftsmanship, creates long, even burning tapers.

As always, our wicks are made from 100% cotton and contain no lead or metal.

Standard: 12" x 7/8" (each candle burns for over 12 hours)
