### Description

Sweet Smokey Resin to Power Up your Magic

Dragon's Blood, a resin from China, the East Indies and South America comes from some of the earth's oldest trees. This resin helps one define and empower their spells.

By Air, Fire, Water and Earth,  
I craft this spell on heart and hearth  
I call forth this vitality and force  
My dragon awakens and finds its course.  
My spell complete and my magic fair  
my words stong, this witches prayer
